# Edward Hawkins The choice for Heatherside, Parkside and Wellington Park

## About Edward

**Edward Hawkins is a local Borough Councillor and Chartered Surveyor from Parkside standing to be your next County Councillor.**

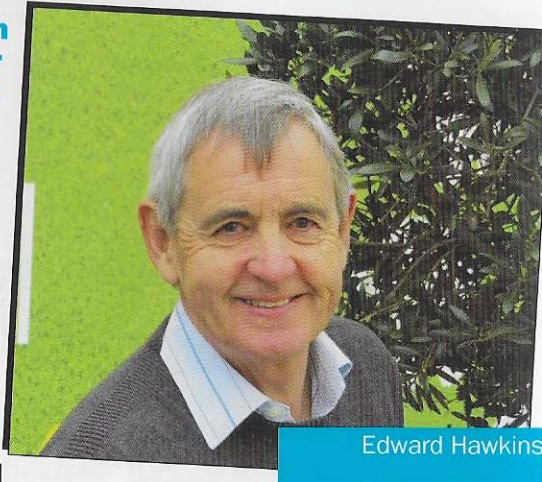

I am seeking your support at the elections on 4th May as your Conservative County Councillor for the Heatherside and Parkside Division - including Wellington Park - for the next four years.

Surrey County Council has such a major role in our everyday lives it is important that we are all represented by a Conservative with a proven track record of public service.

I was elected to Surrey Heath Borough Council as a Ward Councillor for Parkside in 1999. Since then I have held various Executive roles including Portfolio Holder for Finance and Deputy Leader of the Council.

My present role is Chairman of the Planning Applications Committee. I also serve on a number of Select Committees and Working Groups which enable me to utilise my property and financial background.

In my career I have specialised in all aspects of commercial property. I am also a Member of the Chartered Institute of Marketing and Chartered

Edward Hawkins

Management Institute.

As a Conservative; Borough Councillor and a past Trustee of both Frimley Fuel Allotments Charity and Just Advocacy I have worked for social justice and fairness.

I believe that one of the most important roles of the state is to look after those less fortunate in our society. This is one of the attributes I will bring to the role of your County Councillor.

## Camberley Town Centre

The purchase of Camberley Town Centre by Surrey Heath Borough Council has given the Council the opportunity to upgrade the town centre and improve facilities.

Other purchases around Camberley will enable us to generate income to help pay for services. The purchases have been made possible by low interest rates offered by the Government.

There is a need to upgrade the transport infrastructure and this is where Surrey County Council and Surrey Heath Borough Council will be working

together and where I consider I will be able to play an integral part.

I have extensive experience in the development, refurbishment and utilisation of commercial property, I have a full understanding of the investment process and will look to use this experience, along with that accumulated as a Borough Councillor, to assist in the creation of additional revenue streams for the county.

LEFT: Edward will work to promote the local economy including Heatherside Shops and the regeneration of Camberley Town Centre. RIGHT: Discussing local policing with Surrey's Police Commissioner.

**For a hardworking local Councillor vote Conservative on 4th May**

**1 Expanding Camberley Town Centre;** Work with fellow County and Borough Councillors to make sure that residents achieve the best possible outcomes from this exciting opportunity.

**2 Heatherside Shops;** Bring landowners, residents and councillors together to encourage improvements to the Heatherside shops.

**3 Fair Funding;** I will fight to ensure that we receive a fair share of Government funds for our roads and schools and that our money is spent wisely. I will challenge the County's expenditure and priorities.

**4 Better, Safer Roads;** There is a need for improved speed management on all our major routes and in particular for safer access to schools for children.

Edward supports improvements to play areas across Heatherside, Parkside and Wellington Park.

**5 Delivering For You;** I will use my background in commercial property to ensure that Surrey is getting the best from its property portfolio and investments.

**6 Good Local Facilities;** I will continue to work with fellow Ward Councillors to improve play and recreation areas throughout Heatherside, Parkside and Wellington Park.
